ARCHITECT'S CERTIFICATE

This is to certify that Sri Rachapudy Nagabhushanam Degree and PG College(A) Badvel, has been planned and executed in accordance with applicable building norms and standards. The details are as follows:

1. Sewage Disposal System

The building is provided with a **proper sewage disposal system** comprising of:

- ✓ Underground sewer connection to municipal sewer
- ✓ Septic tank with soak pit
- ✓ Sewage Treatment Plant (STP)

The system is designed and constructed as per relevant **local authority norms, Public Health Engineering standards, and environmental regulations**, ensuring safe and hygienic disposal of wastewater.

2. Barrier-Free Environment

The building has been designed to provide a **barrier-free environment** for persons with disabilities, which includes:

- Ramps with appropriate slope at entrance points
- Adequate door widths for wheelchair movement
- Non-slippery flooring in common areas
- Handrails and accessible circulation spaces

These provisions comply with applicable **accessibility guidelines / Harmonised Guidelines for Universal Accessibility**.

3. Toilets for Physically Challenged Persons

Separate / designated **toilets for physically challenged persons** have been provided with:

- Adequate maneuvering space
- Grab bars and support rails
- Accessible wash basins and fittings
- Proper signage

The toilets are designed as per **accessibility norms and standards**.

Cell: 9703504343

4. All-Weather Approach Road

The site is accessible through an **all-weather motorable approach road**, which is:

- Properly laid and maintained
- Suitable for use throughout the year
- Ensuring uninterrupted access during all seasons

Certification

I hereby certify that the above details are **true and correct to the best of my knowledge**, based on site inspection and approved drawings.

The provisions mentioned comply with applicable **building bye-laws, accessibility norms, and statutory requirements**.
